**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I rely on Sonic for my home internet service. Their customer service is unmatched, and they deliver that service in order to stand out in a competitive landscape. Competition has served our county and its consumers well for decades. If we reduce competition, it will hurt consumers like me and my family who use broadband for homework, work, and staying in touch with family all over the country.

We had Comcast for home internet previously, and the broadband speed is at least twice as quick with Sonic.

Thank you very much for your consideration.

Yours,

John Robinson
